Friend of Dawna Discounts

(Effective July 1st, 2018)

Dawna LOVES giving books away. She's distributed over thirty thousand books across the globe, and almost ten-thousand of those, she gave away for free. She wants to give MORE books away, which is good news for you, if you qualify.

These discounts are restricted primarily to teacher and librarian friends of Dawna, and the good folks, businesses, churches, non-profit, and charity organizations in Diboll, Texas. If you need a specific number of books for a classroom or group, just send her an email with your request and she'll get you fixed up!

Beneath each of the titles and sets, fundraiser coordinators will find handy notes concerning the suggested retail value of each book and set. Also noted, are the potential profits from the resale of the books or sets. These are *estimates*, and they do not include shipping rates within the math, since rates will vary. Shipping starts at \$7.50 and can be combined. You may raise or lower the price of any book or set, as you see fit, for your fundraising needs. Books are shipped upon payment of invoice, usually within 5-10 business days. If you need them quicker, rates can be adjusted at your request. *Titles in grey are coming soon!*
